NORMANNA QUALITY IMPROVEMENTS

Normanna and Dania Home has invited Accreditation Canada to review on November 26-29, 2018. Normanna and Dania Home goes through the Accreditation Canada every 4 years to measure ourselves against National Standards.

We will keep you updated on activities and preparation. Accreditation Canada has modified the standards to be more inclusive of the residents and family members. We will invite residents and family members to meet with the Surveyors.

SURVEYORS

Brenda Hannah is the administrator at Clifton Manor, an accredited long term care facility providing services to 250 residents and over 150 adult day program clients, a position which she has held since 2010. She has also been a member of the Board of Directors of an accredited, not for profit faith-based, long-term care facility in Calgary since 2010.

Linda August is a program manager in the support program for older persons at the West Central Montreal Integrated Health and Social Services Centre. She oversees the development and quality management of residential and community programs, comprising the continuum of care. A champion of approaches that promote client-focused care she is charged with the program of prevention of mistreatment in long-term care.
